The chair provide a copy official Gazette dt: 22/12/22 series I No. 88 regarding imposition of garbage tax	
Mr. J. Santon Reddiger highlighted that panchayat funds are not spent & why Garbage tax to be charged.	
Mr. Charles Bauero added govt has already listed out contractors & what panchayat is doing about it. Imposition of garbage tax is already existing from last time. It is an issue as the existing house taxes are not collected & people feel it burden to pay if now new tax is introduced. 40% of people are not paying the house tax.	
Mr. Rupesh Shrivastava added the panchayat should provide broad one of how system will work the same way is discussed in VDC & multiple gram Sabha.	
Mr. Oswald Remanate added that proper waste management plan should be prepared & to be discussed in narrow meeting for finalization.	
Thus it is unanimously decided not to imposed any garbage tax until if a proper plan is prepared by the panchayat & also construction of MRF is pending.

Mr. J. Santan, highlighted that it is not his own decision it is the decision of BMC Mr. Oswald Remande added what is traditional why? Mr. Chale added: There are no traditional people & the cost is much higher for the same. The economy would need to be maintained by new ways. Mr. Rupesh Shankar Explained in detail why the wall collapsed. He was there he called up ward they were on site for inspection. The main bund is intact which is on other side. This wall was designed for water to see through & the area. Chale why it broke. The chao replied due to breakage of pipeline (water). Mr. Rupesh Shankar added the facts of the situation need to be considered, underground cabling was also done on road & water pipeline was damaged. The original water bund has not collapsed. This is the attention. wall. & it was just a request letter to do it in a traditional way as bund is intact. or bund do not twist & then. the better. Mr. Oswald Remande added the bund need to be well designed, if it might get collapsed again. There need extra concrete wall to be constructed. Mr. Chao replied the same will be verified with department.

Mr. Oswald Binante requested the V.P. Secretary to write the minutes in detail & include all the & also added that meeting held on 10/12/23. Mr. Rupesh Shankar said that he has no personal interest of any kind & that he is here in the interest of the village to protect the environment. He said that the lake boundary can only be decided by WRA. He also added that Rupesh Shankar has knowledge of the Land Revenue Code as per a previous application of his & which is on records & where he says that under RC of 1968, it requires prior permission to be obtained up to 12, before changing the use of agricultural land. At the gram sabha meeting on 10/9/23 Mr. Rupesh Shankar also spoke about the road in the Patoda area due to release of sewage water, there are chances of Dengue spreading in there. & that is he stated that whatever he said at the meeting is based on documents obtained under R.T.I. Mr. Rupesh Shankar children are going to Chhatika school & there are Dengue cases in that area & that if things are not taken care of, the same can happen in our village too. As there are no more related points the discussion the gram sabha concluded at 1:26 pm. Recorded by V.P.S
